

WE WANT YOU FOR OUR

INSPIRED ART SHOW

STARRING: YOU
JUNE 1, 2018 - JUNE 28, 2018

Between now and June 1, explore our Art Instructional DVD collection, select a video, and create your own artwork inspired by what you learned for inclusion in our June Inspired Art Show!

Find the Instructional Art DVDs around the corner by the audiobooks and language section, or ask a staff member for help!

DID YOU KNOW? We have more than 100 instructional art videos! They feature demonstrations by nationally known artists in a multitude of subjects and mediums—including pastel, colored pencil, watercolor, graphite, oils, and more!

These videos check out for 2 whole weeks—plenty of time to watch and get creative!
